Form 47 - I
Instructions To Complete The Model Uniform Act Report

- Grantee:** Name of City or County receiving CDBG grant funds.
- Control Number:** Number, beginning with the prefix 790-0, which identifies the Grantee.
- Report Period:** Indicate the most recently-ended Federal fiscal year for which this Report is being submitted.
- Date Submitted:** The date the report was submitted to the Arkansas Economic Development Commission. This report is due no later than November 30 of each year until the grant is closed.

1. Place a mark in the “yes” column if your project displaced or relocated any businesses or persons during the report period. You must contact the department prior to the commencement of any relocation activities.

Place a mark in the “no” column if you did not displace or relocate any businesses or persons.

2. Place a mark in the “yes” column if you have completed and submitted the appropriate Relocation Management Report.
3. State the appropriate number and cost for all easements and parcels acquired for the reporting period and the total number for the project up to this date. Although this report must be submitted annually as long as the grant is open, each parcel should be listed only once, in the year during which it was required.
